

Scancote Elegance

Fully coated folding boxboard with single coated white back GC1. PEFC Certified.

BOARD PROFILE

PRODUCT INFORMATION

- The mill has ISO 9001 quality assurance scheme and ISO 14001 for environmental management.
- Scancote Elegance is made from 100% primary fibre from sustainable forests and is fully recyclable. PEFC 75%. (FSC available ex reels and mill makings).
- The bleached pulp used is elemental chlorine free (ECF).
- The high bulk of Scancote Elegance enables lighter weight boards to be used without reducing the required thickness, stiffness or opacity.
- Safe for direct contact with dry and non-fatty foods.
- Conforms to European standards regarding heavy metal content.
- This board is produced using virgin fibre, there is no recycled content.

PROCESS SUITABILITY

- Litho, Gravure, Screen printing, Letterpress, Flexo, UV and litho varnishing, Emulsion coating, Foil and film laminating, Embossing, Foil blocking

TYPICAL USES

- **GRAPHIC** Greeting cards, post cards, games cards, book and magazine covers, information cards, folders and wallets, point of sale promotions, CD and video sleeves.
- **PACKAGING** Cartons for healthcare, cosmetics, perfumes and food.
