

## eTEC Floor & Decor

### Product Description

eTEC Floor & Décor is a 150micron self-adhesive textured PVC printable media that is ideal for producing internal floor or wall graphics. R10 slip rated and PTV low slip potential with a tough textured finish that does not require lamination saving time and money. It has a clear removable adhesive and is easy to apply and remove.

### Key Features

- Easy to apply & easy to remove
- Eliminates the need to laminate
- Tough textured surface
- Slip Rated R10 – DIN51130-2014
- PTV low slip potential BS EN 14231
- 140gsm PE coated silicon kraft liner
- Very good opacity
- Excellent printability
- Can be used both internal smooth floors and walls

### Printability

Solvent, Eco Solvent, Latex & UV

### Additional Information

Peel strength >5N / 25mm (after 24hrs on stainless steel)

Before use: Care must be taken to ensure the receiving surface is clean, dry and free from defects which could be detrimental to the performance of the laminate.

How to store: To prolong product's usable life, avoid excessive exposure to UV radiation, store in an environment which will have reasonable temperature (temp.23° +/-2° C, R.H <55%) and moisture control.

Shelf Life: 2 years (in advised storage conditions).

Minimum expected "in use" Life: Applicant dependent, but 2 years indoors for walls when above storage conditions are maintained. Flooring dependent upon traffic and volume
